Key Instant Recall Facts
Year 1 – Spring 1

I know number bonds for each number to 10

By the end of this half term, the children should know the following facts. The aim is for them to recall these facts **instantly**.

0 + 10 = 10	2 + 8 = 10	4 + 6 = 10
10 + 0 = 10	8 + 2 = 10	6 + 4 = 10
10 – 10 = 0	10 – 8 = 2	10 – 6 = 4
10 – 0 = 10	10 – 2 = 8	10 – 4 = 6
1 + 9 = 10	3 + 7 = 10	5 + 5 = 10
9 + 1 = 10	7 + 3 = 10	10 – 5 = 5
10 – 9 = 1	10 – 7 = 3	
10 – 1 = 9	10 – 3 = 7	

Key Vocabulary
What is 7 **add** 3?
What is 8 **plus** 2?
What is 10 **take away** 5?
What is **1 less** than 10?

Your child should be able to answer these questions in any order including missing number questions,

e.g 6 + ☐ = 10 or 10 - 3 = ☐ or ☐ + 3 = 10

Top Tips!
The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day? If you would like more ideas, please speak to your child's teacher.

Make a poster – We use Numicon at school. You can look at the Numicon shapes here www.bit.ly/NumiconPictures Can your child make a poster showing the different ways of making numbers to 10?

Play games – Your child can practise number bonds online at https://www.smartboardingschool.com/number-bonds-6---8
