

Hippings Methodist Primary School

Key Instant Recall Facts EYFS – Summer 1

I can count, read and write numbers to 20

By the end of this half term, the children should know the following facts. The aim is for them to recall these facts **instantly**.

11 12 13 14 15

16 17 18 19 20

Key Vocabulary

eleven
twelve
thirteen
fourteen
fifteen
sixteen
seventeen
eighteen
nineteen
twenty

Top Tips!

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day? If you would like more ideas, please speak to your child's teacher.

Use practical resources -

- Using items around the house, find methods of counting accurately, eg. moving each object as it is counted. (We say 'move it to prove it!' in class) You could use sweets, stones, leaves etc
- Looking for numbers up to 20 around the home and when you are out and about.
- Count objects around the home and then write the correct numeral to match the quantity counted. Repeat with other numbers. Discuss which number is the greater/lesser or is more/less than the other. How do you know?
